Cabot Hall
Radcliffe College
Cambridge Mass.

Dear Mary,

Thank you very much for your reply to our letter. It is certainly very healthy for us to get the unhappy side of the picture and we are interested to hear your views on the advertising situation. However, we cannot give up trying at this point as we have not even overcome the technical difficulties as yet.

We have another problem that seems extremely remote at this point but which, nevertheless, be considered. We are urged to write a constitution soon, but have little idea as to how to go about it. Do you have a copy of the Radcliffe constitution available that you could send to us? It would be a great help to know the general outline of another constitution before starting on our own.

I would also like to ask you how Radio Radcliffe is organized. Would you be able to tell me what officers are on your directing committee and how your departments are divided?

Thank you again for your letter. I hope all of your problems work themselves out.

Sincerely yours,

Grace Marshall
